

Changing Life through Lenses For Eye Doctors and Non-Profits

Changing Life through Lenses®, an Essilor Vision Foundation platform, is a unique charitable solution which provides no-cost glasses to help you expand charitable efforts within your community.

The site provides real-time registration with immediate ordering of eyeglasses and frames, referral tracking and access to educational resources on how to engage in the community.

Qualified Patients

- Individuals at, or below, the poverty level without vision insurance for this pair of glasses, as reasonably determined by the provider
- No age or citizenship restrictions

Requirements

- No charge can be assessed for in-kind hardware
- NPI or license number required to process prescriptions
- Program is available to U.S.-based doctors and non-profits

Program Benefits

No-cost, single vision or bifocal glasses for qualified patients

Real-time account creation and access to immediate ordering

Free trial collection of frames with 30 styles, sizes 42-58

Library of resources that includes best practices & guides

Be a Hero in Your Community

Without charitable eye doctors, millions of children across the U.S. would be unable to obtain vision services. Make a difference today by enrolling in Changing Life through Lenses®, which provides no-cost glasses, resources on how to engage in the community, access to rental exam equipment and marketing materials to promote the cause of vision.

How to Get Involved

Be an Army of One

Provide vision care to patients in your office, on-site at a local school or organize a community vision day

Join Forces with Others

Receive referrals from local vision screening organizations who don't have the resources to provide exams and glasses

Additional Opportunities

Serve at local health fairs, shelters, community clinics or create a custom solution in your community
