Give your patients our best.
Give them Varilux® digital progressive lenses.
Empower your presbyopic patients with sharp, natural vision available through 100% digitally engineered Varilux progressive lenses.

The wearer is at the heart of the innovation process thanks to Essilor’s unique R&D program, LIVEOPTICS™. It ensures that all Varilux lenses are the result of an integration between two disciplines: the knowledge of human behavior in real-life conditions and the knowledge of Optics and Materials Science.
Varilux® X Series™ is the most innovative Varilux lens design available. Varilux X Series lenses* are the only progressive lenses to feature Xtend™ Technology, a revolutionary design calculation. This innovation significantly extends the area of sharp vision within arm’s reach so patients no longer have to move their head to find “just the right spot.”

*Personalization available in Varilux X Fit lenses and Varilux X 4D lenses

7 out of 10 PREFERRED OVER Varilux® S Series™

*Study conducted in 2017 by independent third party sponsored by Essilor of America, Inc. (n=59)
Varilux® Physio® W3+ lenses provide your patients with smooth transitions from distance to near, in addition to sharp vision in low light. *Varilux Physio W3+ lenses* feature exclusive SynchronEyes™ Technology which calculates the lenses as a matched pair, letting the eyes work better together.

*Personalization available in Varilux Physio W3+ Fit lenses and Varilux Physio W3+ eyecode lenses
Varilux® Comfort Max lenses are designed keeping in mind the needs of the modern presbyope. Powered by the unique Flex Optim™ technology, Varilux Comfort Max lenses provide more flexibility so your patients can naturally change their posture to see comfortably all day long.

*Personalization available in Varilux Comfort Max Fit lenses

**NEW**

8 out of 10 wearers experienced easy adaptation

9 out of 10 new progressive lens wearers want to continue wearing it

---

2. Wearers rated on a 10-point scale from "Very Difficult" to "Very Easy". Easy adaptation is from 7 to 10.
